2016 DEDICATION

This year we are happy to dedicate our town report to Evelyn Auger long time resident, volunteer and civic leader.

Evelyn was born in Hill, just over the river, moved to Sanbornton in 1950 after marrying Jean Auger. Here she and Jean have raised five children and watched as their family has grown to nine grandchildren and twenty-one great-grandchildren.

She has never just stood by the sidelines and watched things happen here. When Jean was road agent, Evelyn was by his side, keeping the books, supporting both her husband and the town. Over the years Evelyn has served on most town committees and boards, It is easier to say what she has not done than to list all the boards, commissions and committees she has served.

Although, admittedly, she has not served on the Recreation Commission. (Evelyn, there is still time!)

In 1998 - 2001, Evelyn was appointed and then elected to a three year term as Selectman, having served the town well during difficult times.

Presently, Evelyn is Chair and member of the Planning Board a committee she has served on for over 30 years, currently a member of the Fire Department Regionalization Study Committee and recently, on the Economic Development Advisory Committee.

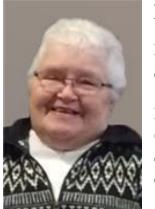

Evelyn's passion for history, especially, the Revolutionary through Civil war era, is something she immerses herself in. She has been involved in Re-enactment gatherings and school programs passing on her knowledge to the next generations with authentic tools and dress. Through the Sanbornton Historical Society she has been a part of the "Victorian Mourning" program which has been delivered all over the state, even on Star Island. In her preparation for the presentations, Evelyn creates her costumes with great detail and authenticity by hand.

Most people in their retirement years, try to slow down, not be so involved. Evelyn, continues to monitor town "goings on" and when necessary to offer her advice and support.

Evelyn, Thank you for a life time of commitment to your community. Sanbornton is a better place because of your contributions!

Phyllis J. Smith

Phyllis J. Smith, 87, of Lower Bay Road, former longtime resident of Lochmere, died Sunday, April 24, 2016 at Lakes Region General Hospital.

Phyllis was born on June 1, 1928 in Laconia, daughter to the late Olin and Alice (Woodman) Joslyn. She worked for many years for her husband's business, Smitty's Sports Shop as the office manager. She also enjoyed her work as a foster grandparent for Sanbornton Central School for the last 16 years.

Phyllis was a member of the Eastern Star of Tilton, the Pomona Grange and also volunteered at Lakes Region General Hospital for many years. She was also active in her community and church, serving as Mountain View Church Clerk for over 25 years, teaching Sunday School for over 50 years, being in the Women's Faith Circle and was a member of the Circle of Family & Friends in Sanbornton.

Phyllis will be remembered most for her love for her children, grandchildren, her foster grandchildren and quilting.

Phyllis is survived by her two daughters, Kathryn Blackey and her husband, Wayne of Sanbornton and Karen Shackett and her husband Charles of Laconia; five grandchildren, Christopher Blackey and his wife, Kathleen of South Londonderry, Vt., Jillian Pierce and her husband, Shawn of Rochester, Amy Blackey of Sanbornton, Ryan Shackett and his wife, Jenna of Manchester and Kori Shackett of Belmont; three great-grandchildren, Sarah, Daniel, and Aubrey; four sisters, Marion Foster of Louisburg, Pa., Joyce Joslyn, Arlene Ilgenfritz and her husband, Robert and Shirley Joslyn, also all of Laconia, a sister-in-law, Lurana Joslyn of Meredith, as well as several nieces and nephews and her furry companion, Suzy. In addition to her parents, she is predeceased by her husband of 44 years, Ernest O. Smith, her son, Kurtis Smith, her brother, Everett Joslyn, her sister, Helen Arsenault and her brother-in-law, Charles Foster.

Evelyn Prescott

Evelyn Rosalie Hill Prescott, 100, a longtime resident of Sanbornton died peacefully at St. Francis Rehab and Nursing Home in Laconia on Nov 26, 2016. Evelyn was born in Boltonville, VT on January 18, 1916 to Raymond and Edith (Vance) Hill, and spent her childhood on the family dairy farm there. As a teenager the family moved the farm to Woodsville, NH where Evelyn graduated from high school and afterwards attended Concord Business School. She worked for Sen. Styles Bridges, and for the WPA in Concord, NH where, in 1938, she met and married her husband Douglass G. Prescott Sr, architect and officer in the United States Army. They were married until his death in 1989.

Evelyn and family moved to Sanbornton in 1947 living first at the Old Tavern and later building a home on Perkins Road. Evelyn was active in the community serving on the school board, the local historical society, the Congregational Church, the Tilton-Northfield Women's Club and the election poles. In the mid-1960s Evelyn established a small preschool in her home where she provided enriching preschool activities for community children for ten years. Evelyn was an expert homemaker, an accomplished cook and an avid gardener. Even now Evelyn's daffodils remain a springtime beauty to behold and a comfort to her loved ones.

She is survived by her sons Douglass G Prescott Jr of Sanbornton and Jeffrey A. Prescott (and wife Mabel) of Destin, FL. She leaves grandsons Christian (and wife Margaret), and Tobey Prescott and their mother Pam Prescott; granddaughters, Abigail Prescott and Jeanette Prescott and their mother Carolyn Prescott; Rachel Prescott Carney (Dylan), Alana Prescott Stone (Aaron), and Camellia Prescott. Evelyn leaves 5 great grandchildren Tobey Jr., Madeline and Liam Prescott, Asa Stone and Beatrice Carney.

The family wishes to extend heartfelt gratitude to the staff of St Francis Rehab and Nursing Center in Laconia for the extraordinary and loving care granted our mother in her last years. Special thanks to Margaret Prescott and to Karen Laurent for their friendship and steadfast devotion to Evelyn.

2016 Town Meeting Minutes Town of Sanbornton State of New Hampshire March 9, 2016

Town Moderator Tim Lang opened the meeting at 7:24 p.m. and recognized County Commissioner, Dave Devoy to lead in the Pledge of Allegiance.

Pastor McMicken of the First Baptist Church was recognized to give the invocation.

Selectman Ober stated each year, for the past few years, the board has dedicated the Town Report to someone who is still living in Sanbornton and this year the board chose Mille Sanborn Shaw. Selectman Nickerson and I visited Millie in a nursing home last week and she told us that, she had never missed a Town Meeting in sixty (60) years. We thank Millie for her dedication and the values she has taught her family. John Sanborn, Andy Sanborn & Wayne Sanborn, who are following in her footsteps.

Selectman Ober stated the Town Treasurer, Susan Shannon has retired after thirty-seven (37) years of service to be closer to family & friends, the board had recently appointed a Deputy Treasurer, Karen Cobb who was elected yesterday. The board wishes Karen many years with the Town.

Selectman Ober stated David Nickerson has served the Town for twelve (12) years and put his soul in to all that he has done for the Town. Selectman Ober listed all of the projects that Selectman Nickerson was a part of during his service. Selectman Van Tassel read a proclamation to David Nickerson and presented it to him. Selectman Ober stated for every person on the board, there is someone behind us that gives us support & guidance at home. Selectman Ober recognized Sharon Dugan, Dave Nickerson's wife and presented her with flowers.

Selectman Nickerson thanked the Town for giving him the opportunity to serve them by making some tough decisions. Selectman Nickerson stated working with Karen Ober and Johnny Van Tassel has been the best, I love you and thank you very much.

Moderator Lang announced that the last time registered voters can change their party affiliation back to undeclared status will be May 31st. Please see the Town Clerk, Marla Davis. Moderator Lang explained that yelling out some one's party during voting is a State Law and if anyone would like to see that changed, see your local Legislators.

Moderator Lang announced the results of the Town & School District ballot voting from yesterday.

TC/TC Davis introduced Dick LeClerc, Steve Ober, Craig Davis and Barbara Bormes as ballot clerks then thanked them for all they do.

TC/TC Davis introduced Sheila Dodge, Mary Ahlgren and Sandra Leighton as the Supervisors of the Checklist, Assistant Moderators - Dick Gardner, Doug Surrette & Bob Holt and thanked everyone that helped with set up.

Moderator Lang read Article #1 as follows:

Article 01: Operating Budget – Town

To see if the Town will vote to raise and appropriate the sum of Three Million Eight Hundred Eleven Thousand Four Hundred and Twenty Nine Thirty One dollars (\$3,811,431) for general municipal operations as recommended by the Budget Committee. The Selectmen recommend \$3,820,453. This article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required)

Moderator Lang recognized John Olmstead for the purpose of a motion. Second by Craig Davis.

Discussion: Moderator Lang identified a Scribner's error in the second sentence of this article that should read "Thirty One". Chair of the Budget Committee, John Olmstead explained the committee worked hard this year and the budget is \$170,000 dollars less than last year, to keep the Town's costs & taxes down.

Dick Gardner made a motion amend line #4191-00 part-time Town Planner to the Selectmen's recommended figure of \$33,717 dollars. Second by Nina Gardner. Discussion: Dick Gardner explained there was a difference between the Budget Committee's and the Selectmen's amount. Dick Gardner stated he is on the Planning Board and the extra hours would allow the Town Planner to move forward with things like the Economic Development Advisory Committee. Those in attendance reviewed page #97 of the Town Report. Dick Gardner stated this is a pay me now or pay me later scenario, towns all around us have economic development to bring in businesses to lower the tax rate and help improve the community. Chair of the Planning Board, Evelyn Auger stated for four years Sanbornton wanted no commercial whatsoever but the Planning Board (PB) and the Selectmen have recognized that the Town needs it. Evelyn Auger explained that the Town Planner was sent to a training for economic development then a committee was formed and if the Town was to add up all of the volunteer hours of the PB, it would cost approximately \$10K. Evelyn Auger stated the Planner's hours were cut back to 20 hours a week and the Selectmen have put the hours back, thank you but the Budget Committee did not. Don Bormes stated most of us are volunteers and we need people who are qualified professionals, the position was voted in at 32 hours and we are asking to allow what our fore fathers decided. Moderator Lang called for a card count, 142 voted yes and 134 voted no. The amendment passed in the affirmative. \$7,506 dollars was added to the budget for a new total of \$3,818,937 dollars.

Roger Grey made a motion to delete from the FY 2017 operating budget, the 2% salary (COLA) increase for all Town employees and to make the Fire Chief's salary the same as last year and to fund the Library at the same amount as last year, up to \$40,000 dollars. Second by John Robinson. Discussion: Roger Grey stated the Sanbornton tax base is the same and the Town is not growing, we have the 2nd highest tax rate in the county with four homes in foreclosure. Roger Grey noted the employees work hard but received a 1.5% COLA last year, the TC/TC received a 12% increase last year, the Fire Chief received a 7% increase last year and the Public Works Department tripled their operating budget. Craig Davis stated Roger is speaking as an individual and not as a Budget Committee member. Craig Davis stated retirement received an 8.6% increase, the State received a 15.2% increase and the Town received a 1.5% increase last year, the 2% increase this year would be seven cents on your property assessment. Nancy Morrison stated she feels the amendments to this article should be three separate articles not one. A secret ballot request was cast. 163 - yes votes and 143 - no votes, the amendment passed in the affirmative. Moderator Lang announced that the new operating budget total is \$3,778,937 dollars.

Motion made by Earl Leighton to restrict reconsideration of Article #1 and #5, second by John Olmstead.

The vote was in the affirmative - Article #1, passed with amendments.

The Moderator read Article #2 as follows:

Article 02: Other

EMS Billing and Paramedic Intercept Fees

To see if the Town will vote to raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500) to pay fees for EMS billing and Paramedic Intercepts; further these fees to be paid for out of the Emergency Medical Service, Fire and Rescue Apparatus & Equipment Special Revenue Fund and no amount to come from taxation.

Appropriations under this Warrant article are not included in the Operating Budget total previously voted upon under Article 1.

(Majority Vote Required)

Recommended by the Selectmen – Recommended by the Budget Committee

Moderator Lang recognized Steve Ober for the purpose of a motion. Second by Selectman Ober.

Discussion: Chief Dexter spoke to this article.

The vote was in the affirmative - Article #2, passed.

Nina Gardner made a motion to restrict reconsideration of Article #2, second by Lynn Chong. The vote was in the affirmative/negative.

Nina Gardner made a motion to take up the Article 4, then 5 and then 3, so the meeting could be conducted in a timely fashion. Second by TC/TC Davis. The vote was in the affirmative.

The Moderator read Article #3 as follows:

Article 03: Other

To Hire two Full Time Firefighter/EMT's

To see if the town will vote to raise and appropriate the sum of One Hundred and Thirty-Five Thousand Two Hundred Dollars (\$135,200) for salaries and benefits to hire two Full Time Firefighter/EMT's to enhance the coverage of the Fire Department from its current use of part time per diem Firefighter/EMT's to Full Time and Part Time Per Diem and add hours of coverage from 8 hours daily to 12 hours daily with One Full Time Firefighter/EMT and One Per Diem Firefighter/EMT.

Appropriations under this Warrant article are not included in the Operating Budget total previously voted upon under Article 1.

(Majority Vote Required)

Recommended by the Selectmen – Not Recommended by the Budget Committee

Moderator Lang recognized Selectman Ober for the purpose of a motion. Second by Selectman Van Tassel.

Discussion: Fire Chief Dexter stated he brought this article to the body last year and it was only defeated by four votes but feels, it lost because I didn't explain it good enough why it is needed. Chief Dexter explained that his biggest issue is coverage because his per-diem staff has been leaving to take full-time employment elsewhere, which creates a huge gap in coverage. Throughout the year there were 136 vacancies that he couldn't fill shifts for because they are scheduled on availability but would like to have 24/7 coverage, due to the aging community. Mitch Lewis asked how many building fires the Town had this year? Chief Dexter replied one full blown building fire. Mitch Lewis asked about mutual aid. Chief Dexter replied yes, the Town has a mutual aid agreement and it is reciprocated but if there is one than one call then services are stretched thin. Mitch Lewis asked if he would be able to get to his house on Shute Hill Road with two people on staff? Chief Dexter replied no.

Greg Sanderson stated he moved here in 1991 and he volunteered to work at the Sanbornton Fire Department because the Town couldn't afford me, we still can not afford me. I am opposed to the \$135K increase, my taxes have gone from \$2,500 dollars to \$7,000 dollars and asked that the article be voted down.

Craig Simpson asked how long are you willing to wait when you call 9-1-1 at night? This is not a threat but a reality. What level of service is the Town willing to pay for?

Selectman Nickerson stated he spoke to the Tilton/Northfield Fire Commissioner that discussed holding a meeting to propose regionalization and their doors are open. We have the best firefighters and EMT's but I am also retired and may not be able to live here much longer either.

Earl Leighton stated once the Town hires full-time then we will have a full-time department and a need for sleeping quarters, etc., if we vote on the changes there will be new dynamics. The Town use to pay the Winnisquam Fire Department \$20K a year, which took some of the burden off of us and agrees with the idea of regionalization.

Chief Dexter stated regionalization... absolutely but it would be based on service, would the Town save money....sure, but it could take 10-15 years before it happens.

County Commissioner Devoy noted regionalization would happen as fast as the Selectman can make the decision.

A secret ballot request was cast. 95 - yes votes and 191 - no votes.

The vote was in the negative - Article #3, failed.

The Moderator read Article #4 as follows:

Article 04: Other

Emergency Medical Equipment and Supplies

New Parks and Recreation Building

To see if the town will vote to raise and appropriate the sum of Ninety Eight Thousand Dollars (\$98,000) for the purpose of building a new Parks and Recreation Building at the Sanbornton Town Park to replace the two buildings condemned by Primex and subsequently demolished, as requested by Recreation Commission, with \$12,000 to come from the Recreation Revolving Fund and \$86,000 to be raised by taxation.

Appropriations under this Warrant article are not included in the Operating Budget total previously voted upon under Article 1.

(Majority vote required)

Not Recommended by the Selectmen – Not Recommended by the Budget Committee

Moderator Lang recognized Selectman Ober for the purpose of a motion. Second by Selectman Van Tassel.

Discussion: Recreation Commission member, Tracy Wood and Coordinator, Juliana Lonergan set up a slide show for those in attendance. Tracy Wood explained the new building would be a one time purchase, costing 22 cents per thousand and for a \$250K home, this would be \$55 dollars this year only. Tracy Wood stated recreation is the only department that pays back 50% of their budget annually to the Town. Tracy Wood noted recreation use to have a home until it was labeled unsafe by the Health Officer & Primex and then was demolished. We now have a temporary home at the DPW with our supplies/ equipment scattered throughout other Town buildings, while most recreation buildings are near or adjacent to their fields. Recreation has 12 programs, holds 6 activities with 400 children and 50 adults that participate. The new building would in accordance with the 2009 Master Plan that was accepted by the Selectmen in 2011 and was also a priority for the Building Space Needs Committee. There are plans for one consolidated building that would work for us and our needs.

Nancy Durgin asked if there would be maintenance in the years to come and why the repairs & maintenance line has increased by \$1K. Coordinator Lonergan replied there were some additional costs to repair damage to the fields from people driving cars on it. Nancy Durgin noted there will be additional costs to maintain the property, so it will not be a one-time expense.

Earl Leighton explained this proposal was presented to the Budget Committee but they did not see any plans or estimated costs.

Nina Gardner stated she chaired the Space Needs Committee and we were asked to look at Recreation & Welfare, as we looked it became very clear we needed to move forward. There was a discussion of donations and using volunteer labor but Primex said volunteers could only be used under certain conditions. I do yard sales of my old stuff to others in the community. The article is written not to exceed \$86K and it could be less but the OverSeer of the Public Welfare is in the kitchen of the Town Office, which can not last forever.

County Commissioner Devoy stated originally he was opposed to this but if the school fell down, we would rebuild and if the Town Hall fell down we would rebuild. There are inmates in the jail that did not grow up with these types of opportunities or mentors, which is important.

Heather Max stated she is a coach & volunteer and these programs are very important to her children because they have made lots of friends. I urge you to vote in favor of this.

Dave Whitham explained the condemned buildings were temporary classrooms given to the Town by Gilford.

Selectman Van Tassel stated no one is against recreation and most of us have had kids in the program, which will probably be our grandchildren someday. The Selectmen did not get the information from the plans that we wanted, like what kind of roofing or electrical, etc. The Police Department is working in unsafe conditions and the Town has hired an engineer to see what we have and where to go from here. I feel it would be premature to approve this, we need to slow down and go through the process the right way.

A card vote was taken, 135 yes votes and 147 no votes.

Police Cruiser

To see if the town will vote to raise and appropriate the sum of Thirty Two Thousand Dollars (\$32,000) for the purchase and set up of a Police Cruiser. This cost includes: updating any equipment needed, installation of existing equipment, decommissioning a cruiser in order to send it to auction or for trade with the funds received to be used to offset the costs of the vehicle.

Appropriations under this Warrant article are not included in the Operating Budget total previously voted upon under Article 1.

(Majority vote required)

Recommended by the Selectmen – Recommended by the Budget Committee Moderator Lang recognized Selectman Van Tassel for the purpose of a motion. Seconded by Selectman Ober.

Discussion: Mitch Lewis asked what the mileage is on the cruisers? Chief Hankard replied 93K and 84K, both cruisers are 2013 but by July they will both be at 100K for mileage. Mitch Lewis stated the State runs their cruisers to 200K, why don't we? Chief Hankard replied it is because they operate on highways and not Sanbornton roads.

The vote was in the affirmative - Article #6, passed. The Moderator read Article #7 as follows:

Article 07: Other

Retrofitting of Police Station

To see if the town will vote to raise and appropriate the sum of amount of Twenty Thousand Dollars (\$20,000) for retrofitting the Police Station for safety and security improvements. The current Sanbornton Police Department facility is not up to standards required by a law enforcement agency. The arrest processing and detention areas are not safe for the employees and public. There is not sufficient storage space for evidence and other equipment. The Sanbornton Police has grown greatly in size and activity over the years, and the facility has not grown with it. We are making do with what space we have for now, but a new facility is a requirement.

(Majority vote required)

Recommended by the Selectmen – Recommended by the Budget Committee

Moderator Lang recognized Selectman Nickerson for the purpose of a motion. Seconded by Selectman Van Tassel.

Discussion: Chief Hankard stated it has been 20 years since the first proposal, we have never truly has a Police Station and in January of last year we had Primex do a facility check of things that were lacking, which were security and safety. The Selectman did due diligence with the building study and the appropriation will address some of the more glaring issues like prisoner & civilian security. Currently, the department's secretary would be in the line of fire and the proposal would create a booking area through the back parking lot, which would be separate from the administrative rooms. This will not get rid of all the problems but will hold us until a more permanent solution can be made.

Mary Quinn stated she feels this should be painted in the same light as the recreation building due to the building study and I would not like to have the same conversation next year but have real details.

Selectman Van Tassel stated this is an attempt to keep the employees safe, which has different levels. The recreation building is about storage but this has the possibilities of someone getting hurt or worse.

Evelyn Auger stated this has been a discussion since 2000' and we have waited 16 years, what's another year.

Paul Litchfield stated in light of what is going in the world, the minimum amount should be spent and this needs to be supported.

Discussion: Moderator Lang stated there is a Scribner's error, the word "repair" is missing from the "Town Hall Repair and Restoration" CRF, which was voted in last year. Selectman Ober provided a brief description of the purpose of each CRF.

Paul Litchfield asked if other communities were saving funds for milfoil/phosphorus? Selectman Ober replied she is not sure but they would not be contributing monies to our account.

Sharon Danforth asked if there funds for the water filtration system at the Town Hall? Selectman Ober replied not at this time but there was a request for all three buildings (Town Hall, Library & Church) and the board decided it was not feasible for one sink and one toilet.

Transfer Station Fee for Metal Pile

To see if the Town will vote to establish a fee on items removed from the Town's metal pile located at the Transfer Station. Fees on metals being removed shall be reimbursed to the Town prior to removal from the Transfer Station. Fees are to be established by weight and current scrap metal market value as established from time to time by the Board of Selectmen and deposited in the Town's General Fund. Such fees are established to insure equity among all town residents.

Moderator Lang recognized Selectman Van Tassel for the purpose of a motion. Second by Selectman Ober.

Discussion: Selectman Van Tassel stated the board received this petition warrant article after the Special Town Meeting from Ralph Rathjen. The Town gets revenue from the disposal of waste and scrap metal and after the access to the metal pile was closed late in 2015, there was a significant increase in that revenue. No value is placed on the metal and there is no way for the police to enforce people taking metal from the Transfer Station.

Chief Hankard explained there was a case where a resident had backed their truck up to the metal pile and filled it up but because no value has been placed on the metal, they can not be charged with theft under State Law.

DPW Director Bordeau stated the Town did see an increase in tonnage but it is not an exact science, plus the price of metal has decreased since 2014.

Andy Sanborn made a motion to table this article indefinitely, Second by Lynn Chong. Moderator Lang read RSA 40:11. Andy Sanborn withdrew his previous motion and Lynn Chong withdrew her second.

Andy Sanborn stated the Solid Waste Committee was recently appointed and this issue will be duly considered but a decision will be premature.

Lynn Chong explained that there really has not been a metal pile, we have a dumpster and the purchase of the scale is not included in the costs. This violates the vote of the Special Town Meeting and if the Town starts giving receipts for the sale of the metal, then there will be a trail of liability.

Peter Drouin stated a fence needs to be put up to secure all of the items. The price of iron is going down, so if someone wanted a used lawnmower it would about 35 cents plus man hours. I feel we are spending money to save pennies. Our Transfer Station used to win awards. There was a brief discussion on the variation of metal pricing.

Andrea Burns asked what the actual costs would be? Selectman Ober replied someone would need to be certified to use the scale, which was under \$1K to purchase.

The vote was in the negative - Article #12, failed.

Tom Salatiello made a motion to restrict reconsideration of Article #12, second by Lynn Chong. The vote was in the affirmative.

Disorderly Action Ordinance

To see if the Town will vote to adopt an ordinance relative to Disorderly Action. The annual Town Meeting of the Town of Sanbornton ordains that is in the public interest and hereby establishes that it is public policy to regulate unnecessary noise in the public highways, sidewalks, commons and other public places of the Town in accordance with the provisions of NH RSA 31:39 and RSA 41:11.

Moderator Lang recognized Selectman Van Tassel for the purpose of a motion. Second by Selectman Nickerson.

Discussion: Chief Hankard stated this is the 3rd time this ordinance has been proposed, which was basically geared towards logging operations and heavy machinery that were operating in the early morning hours or late at night. This is the same ordinance other Towns use. Chief Hankard read section III(d), which was new this year. If the Town writes a summons then the money comes back to the Town but this is by no means a money maker.

Evelyn Auger stated it is light out by 5 a.m., people can not work in the dark and you can't put city hours on the country.

Lori Graham stated she was originally in favor of this until she heard the main thrust was for logging operations, which are temporary then beautiful. People are dealing with everyday nuisances, so she is not in favor of this.

Chief Hankard noted things like loud parties are covered under State Law.

The vote was in the negative - Article #14, failed.

SANBORNTON POLICE DEPARTMENT 2016 TOWN REPORT

The year 2016 proved to be another busy one for the Sanbornton Police Department. Our greatest increases in activity were with drug related calls, which puts us right in line with the rest of the State of New Hampshire. Our motor vehicle accident numbers increased as well, but I am pleased to report that we had no fatalities on the roads of Sanbornton in 2016.

In order to help to bring these numbers down, the Sanbornton Police Department has been increasing our work with area agencies in the areas of drug detection and enforcement. To make our roads safer, the New Hampshire Department of Safety Office of Highway Safety has assisted us in being awarded close to \$15,000 in state and federal grants. This money will fund both overtime patrols and important equipment to increase our enforcement capabilities.

We have been very pleased with our community involvement thanks to the popularity of our Facebook page. Like our Nixle system, which continues to grow, Facebook is allowing us to put out important information to our citizens much faster than before. Please like us on Facebook and sign up for our Nixle alerts to

stay updated. If you have not signed up for Nixle and wish to do so, please go to our website at www.sanborntonpolice.org for more information.

I believe through this increased community cooperation, we have continued to see burglaries and many types of thefts on the decrease from some previous years. Agencies this size function most effectively when they can work with the community to achieve their goals. An alert public can notice suspicious activity in their neighborhoods quickly, which gets our officers where they need to be in order to respond to or even prevent criminal activity.

The Sanbornton Police Department has continued to participate in community programs, such as our Elderly Call Program, D.A.R.E. at the Sanbornton Central School, and our House Check Program when residents go away. We are also continuing our partnership with the Drug Enforcement Agency in providing our biannual Prescription Drug Take-Back events. There has also been a Sanbornton Police Department team at the New Hampshire Special Olympics Winni Dip for 6 years running. Along with the Special Olympics, this department has been involved with the Make-A-Wish Foundation of New Hampshire and recently participated in a Beards for Bucks fundraiser for our local Child Advocacy Center (photo below). The staff of the Sanbornton Police Department is always looking for ways to serve you better, so please let us know any suggestions you may have.

Our officers are working hard to serve and protect the community while maintaining the highest levels of care and respect for its citizens. Our officers' levels of training continue to increase, to more effectively and professionally serve the residents of Sanbornton. We are also fortunate and proud to be working alongside the Sanbornton Fire Department and Sanbornton Department of Public Works, to provide the best public safety services possible to the citizens of Sanbornton.

As you are probably aware from seeing news reports from throughout the country, law enforcement in general took a big hit in 2016. With the number of murdered officers up significantly and negative police sentiment getting increased attention, 2016 was a difficult year to be in this profession. I would personally like to take this opportunity to thank the citizens of Sanbornton for the amazing support that was provided to this department. Throughout the year, and especially after tragic events, my officers and I received calls, Facebook messages, visits at the station, and all kinds of baked goods to thank us for our service. You cannot imagine how much it means to this department to know that in these trying times for police officers, the community that we so proudly serve had our back!

Respectfully Submitted

Stephen M. Hankard Chief of Police

Fire Department Regionalization Study Committee

The committee was formed at the request of the Sanbornton Selectmen. We held our first meeting on August 10, 2016.

We adopted as our mission statement the exact wording that appeared in the town notice asking for interested residents to apply as members.

Purpose: to examine the prospects of regionalizing the services provided by the Fire Department with a neighboring towns. To study the financial considerations of regionalization and the impact on the fire services provided to the town. A goal of the committee is to study and examine whether or not consolidation of the Fire Department can provide a more effective service to the residents of Sanbornton.

Our September 27, 2016 meeting was devoted to a PowerPoint presentation entitled "Shared Services – Identifying Real Opportunities". The presentation was given by UNH Assistant Professor Daniel Bromberg, PhD, MPA Program Director.

His presentation emphasized that a shared services program could only be considered successful if there was:

- -Equitable sharing of benefits
- -Equitable sharing of costs
- -All involved having equity and reciprocity (all giving and all receiving)
- -Pay for services in not a recommended model

We are still gathering information. We have sent letters to all the surrounding communities (Franklin, Belmont, Tilton, Laconia, Meredith, and New Hampton) asking if they would be interested in discussing regionalization. They all have met with us to discuss the possibilities.

We will use the gathered information to help determine our next step. The committee will continue meeting and discussing until we can come up with a comprehensive report to present to the Sanbornton Selectmen.

The goal of this committee is to have our report to the Board of Selectmen in time for the town meeting.

SANBORNTON FIRE & RESCUE DEPARTMENT

I would like to again this year thank all the dedicated members of the fire & rescue department and their families, all Town Employees, the Selectboard and the residents of Sanbornton for their continued support over the last year.

As I begin my 6th year as your Fire Chief I have to say that I am so very proud of all the members of this organization for their dedication and sacrifices and it continues to be a pleasure to serve you, the residents of Sanbornton.

The Town continues to be protected by our neighbors and friends which make up the Officers, Firefighters and Emergency Medical Technicians of the Sanbornton Fire & Rescue Department, these dedicated Men & Women continue to respond 24/7 – 365 days a year for emergency response to fire, medical emergencies, technical rescue, hazardous material incidents, and prevention activities in our community, as well all members attend on average three department meetings and trainings per month and are required to sign up and cover night shifts from home (from 7pm to 5am) four nights per month.

The Sanbornton Fire
Department's mission is to
preserve and protect the
lives, property, and
environment of our citizens,
visitors and neighbors by
providing the highest
quality of public service
and professionalism
throughout
our community.

Created 2015 by Members of the
Sanbornton Fire Department

The members continue to conduct countless hours of training in all aspects of Fire & Rescue to better serve the residents and visitors of Sanbornton.

-The Crew conducting "Medium Angle" rope rescue training off of Huse Rd. -

We continue to see an increase in new homes being built as can be seen by in the increase in Life Safety inspections and LP Gas / Oil burner installations; we also continue to conduct "Life Safety" inspections on rental properties with the issuance of a "certificate of occupancy" once the building has met all NH state fire code. This past year staff conducted 297 onsite inspections with 349 permits being issued and another 272 Category 3 burn permits were issued on top of that for a total of 621 permits issued. Below is a comparison of the inspections conducted over the past two years.

As a reminder, all Oil, LP & Natural Gas furnace and/or piping, wood and pellet stoves, stationary generator installations do require a permit and inspection; make sure your installer is aware of the requirement and contacts the Sanbornton Fire Department prior to installation, starting January 1, 2017 the Board of Selectmen approved a fee schedule for all inspections conducted, please visit the town's website to review the fee schedule and if you have any questions contact the Fire Chief at the Central Fire Station (286-4819)

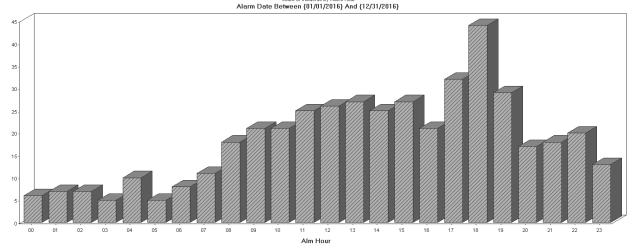

The Fire Department, Police Department and Highway Department efficiently and effectively worked together again this past year with weather related issues and other incident responses. Thanks to the DPW director and Chief of Police and their staff for the continued "Team Work" approach that we see on a daily basis.

- The Highway Crew assisting with repairing the Fire Pond in the Square -

Sadly we report that this year we have seen a substantial increase in "Emergency Responses" and the following is a summary of the 443 emergency calls for the 2016 calendar year, a 13.5 % increase from 2015. We did have a decrease in the category of "Good Intent/False Alarms" by 34% partly due to an increase in Fire Alarm inspections and making sure systems are better maintained.

	<u>2015</u>	<u>2016</u>	
>	57	70	Fires (Building/Chimney/Vehicle/Brush/Mutual Aid)

>	17	39	Service Calls (Assist other Agency/Cover Assignment, Public Assist)
	73	48	Good Intent/False Alarms (Alarm activation-nothing found/Cancelled en-route)

We continue to staff the Central Fire Station on Sanborn Rd. during the busiest time frame, Monday-Friday 8am-4pm with two dual trained Firefighter/EMT's and the Fire Chief, and Saturday & Sunday 8am-5pm with two dual trained firefighter/EMT's.

We are continually recruiting new members, so if you think being a Firefighter or EMT might be for you please stop by the Central Station and speak to one of the on duty staff to get more information on the requirements.

On the Emergency Management front, it was a quiet year with no major storms effecting the area, the only real issue was the drought conditions that effected the entire state of New Hampshire causing dug wells to dry up, we had no reports of artesian wells having any problems, some of our fire ponds in town began to draw down to dangerous levels but with late season rain brought those back to a healthier condition.

We did receive an Emergency Management Planning grant late in the year for \$61,428 which will be used to purchase a 12 ft. trailer, 100 traffic cones, 4 Emergency Scene Ahead signs, road barriers, traffic vests and a traffic message board, this will be used during emergencies in town to assist with road closures or any other type of emergency. This is a 50% matching grant and the town's portion of the match was the Utility truck (2015 F-250) that was purchased last year, which means NO OUT OF POCKET money for the town and \$30,714 in much needed equipment.

In the coming year we will be working on obtaining a grant to install an automatic generator at the Highway Garage, with hopes to use the installation of the fire alarm system that was completed this year as our match. Our goal is to make the Highway Garage the "Back Up" Emergency Operations Center (EOC) if something were to happen to the Life Safety Building during an event, currently the Town Offices are the "Back Up" EOC and since both buildings are in such close proximity to each other, it makes more sense to move the back up.

Department of Public Works

The Department of Public Works had another strong and productive year. The winter seemed less severe with little snow, but rain takes its toll on the DPW with freezing pavement and icy dirt roads, making it tough going on us, as well as the residents. With a small crew of six and over 100 miles of roads we stay very busy.

Our Mud Season this year made up for the lack of snow we had. Knox Mountain Road seemed like a bottomless pit of mud and 1 ½ stone was used in place of gravel to firm up the bottom. Hermit Woods and Eastman Hill Roads also seemed to be a challenge at times.

I would like to first thank the crew here at the Public Works for all their hard work and for all they do. Sometimes they are asked to come in and put in very long hours and work very hard to get the job done, and they always do, sometimes with little appreciation, whether it be treating icy roads in the winter, hauling gravel during mud season, or grading rough roads in the late spring till dark, these guys get it done. Thanks!

Road projects this year was productive. We were able to complete the stretch of road from Route 127 to School Street in Tilton (March Road). We picked up from last year's project of Burleigh Hill Road and was able to complete the 7500 feet of March Road that was also in dire need. Pike Industries was awarded the bid for the project and provided us with a really good finished product. We had over 4500 feet of 6 inch underdrain installed, over 5000 tons of crushed gravel laid down, over 2000 feet of erosion stone lined ditches, and some gauntly rock boulders plucked from the road base to never haunt us again. We also were able to have a shim on Tower Hill Road laid down and part of our road plan to preserve our goods roads, we were able to shim and overlay Cram Road's lower paved portion, Hunkins Pond Road's lower portion from Wells Road to Upper Bay and Shaw Hill Road. We were able to get 4 days of crack sealing done this year. Roads that were done include

Steele Hill, Upper Bay, Bay, Hunkins Pond, Meetinghouse, Currier and Burleigh Hill. We also had Bellemore Catch Basin Services come in this year and vacuum out every catch basin in town. We also again did some needed ditching on our dirt roads that require yearly upkeep. Calef Hill Road, Wadleigh Road, Brook Road, Eastman Hill Road, Huse Road, Knox Mountain Road, and a few others all got some extensive ditching. Worn out culverts were replaced on Philbrook, Roxsbury, Willow, Calef, Knox Mountain and Brook Road. We also are in the process of changing all our road signs to retro-reflective.

This year we were able to purchase the new Sakai 8 Ton Roller using all the funds that were used for renting it to go towards the purchase price with the remainder coming out of the Highway Block Grant funds. This has become a valuable piece of equipment to ensure that our dirt roads can last after grading with the heavy load of traffic that they all receive.

I would like to thank the many people who help us throughout the year for all they do. Our Tree Warden Steve Ober has put in countless hours in ensuring the safety of the public, making sure that these hazardous trees that seem to be everywhere in our town, are taken down safely and in a timely manner. Thank You Steve for all you do! Thank You, to the Board of Selectmen for their support throughout the year. Thanks for providing us with the tools and heavy equipment that we so desperately need to do our job. I would also like to thank the Police and Fire Departments for helping us throughout the year. Our Town is fortunate to have such a devoted group of people that work together to get the job done. A huge thank you to the Finance Officer for her help throughout the year, Peggy your support and patience is really appreciated. And, I can't forget the TC/TC Marla, she has been there to take our messages and lend support throughout the year. Thank you Marla! Thanks to Julie from the Recreation Department, she has been helpful to us here, we're glad to have you as a neighbor!

Lastly, thanks again to the residents for being patient with us in doing our job we appreciate all the support and fine compliments you have given us throughout the year, Thanks again!

Town of Sanbornton - Transfer Station

We have had a lot of changes in the past year, some of which are the swap room is open and the metal pile is going well. Please see the list of rules for the swap room and metal pile. We have also been updating the Town's web site for the Transfer Station. See swap rules and the list of items that the Town has disposal fees for. Please remember if you have any questions my staff is here to help.

We have received the funding for a new compactor that will help cut the cost of hauling fees for the Town. It was installed in January of this year. We are hoping that we will reduce the hauling fees by more than half. We have also signed a contract with Casella's this year to help stabilize the increasing cost of disposal and hauling. New signs are being placed around the Transfer Station to help you understand where things go and what some of the items are that we charge for. These signs have come from the NRRA at no charge to the Town. They are also helping us with the grant for the compactor.

Please help us by seeing our staff with items other than MSW (household trash) and single stream recycling items. There are a lot of items the Town has to charge for and we can help you with the cost of the item and where to place them. This is needed in order to keep a safe and clean Transfer Station. If you need assistance please ask we are glad to help.

I would also like to thank all of our Volunteers that have cleaned up the swap room and helped the Town's people with a lot of questions about our swap room. We have new rules listed on the Town of Sanbornton web site (www.sanbornton.nh.org) they are in place to help meet the Town's Insurance Carrier's requirements.

Solid Waste Disposal Committee

Five sworn-in members are: Tara Albert, Jeff Burns, Lynn Chong, Jennifer Holt, David Swanay. Three alternates are: Andy Sanborn, Donna Schimming, Robert White. Solid Waste Committee returned to activity after a hiatus of several years when the Special Town Meeting of December 2015 voted that return in the affirmative.

We met third Mondays of the months beginning in January, with a number of interim meetings on some first Mondays of the months. In the January meeting Lynn Chong was elected chairman. At a later meeting Jennifer Holt was elected vice-chairman. Tara Albert is recorder.

Our topics for discussion and inquiry as we familiarized ourselves with the Transfer Station / Recycling Center ranged from history of the metal pile handling and details of contracts to best uses of the space we have, considering that the Recreation Department takes space for storage that could otherwise be used for improved handling of recyclables. David Swanay and Robert White worked with Kevin Austin and Brian Bordeau on the budget. Donna Schimming worked with Manager Austin to get new signage available at no cost from New Hampshire the Beautiful. Tara Albert and Robert White tabled at Old Home Day with a questionnaire for public input about our Transfer Station / Recycling Center. Jennifer Holt designed an informational brochure covering current rules, policies and fees. The brochure is available at Kevin Austin's desk and at the Town Clerk's window.

A highlight of the year was a late-June visit by four other Transfer Station managers from Bridgewater, Holderness, Loudon, Gilford. Our Transfer Station / Recycling Center was given a walk-through. We had invaluable feedback, short term and long term recommendations. This visit was arranged by Marilyn Weir of Northeast Resource Recovery Association.

A report given us following the visit included a strong recommendation that we return to source separating / baling of recyclable materials. This would reduce the, at present, considerable cost to the town of single-stream recycling. (We went to single-stream recycling in 2009 by Town Meeting vote when Concord was intending to set up a facility, which never came to be.) We own equipment / compactors which could be returned to use if we decide once again to separate our recyclables and market them.

In early February we held a "coffee / refreshments" meeting inviting the public, and hearing any ideas, concerns and considering additional questionnaire feedback. This was activity related to our first-year anniversary as a resumed committee.

Our feeling is that our townspeople care about their environmental impact and also the costs incurred with landfilling rather than recycling. The Swap Shop is active and user-friendly, thanks to staff and volunteers. Manager Austin can always use more volunteers.

We exist to advise our Board of Selectmen on matters concerning the Transfer Station / Recycling Center and thank the board for their interest and for Selectman John Olmstead's work with us.

Respectfully submitted:

Lynn R. Chong, Chair Jennifer Holt, Vice-Chair Tara Albert, Recorder

2016 Recreation Commission Report

I would like to thank all the volunteers who have assisted us throughout the year. People who dedicate their time are the backbone of our success and without these committed people who volunteer we could not offer the quality programing.

I also want to thank all who have helped with our fundraising efforts and those who have donated their time and money to the Recreation Commission. We are successful because of all the community support we receive.

The Recreation Department offers a diverse variety of programs to the community. The Commission continues to diligently work to create a safe and friendly environment for the Sanbornton community to enjoy.

Activities & Programs

Before & After School Care:

This valuable program is essential to the working parent. The before school care program opens at 7:00 a.m. during the school year allowing parents a safe and healthy environment to leave their children while heading off to work. The mornings are filled with crafts and games. The after-school care program begins at school dismissal and remains open until 5:30 p.m. Afternoons are filled with activities including cooking, crafts, games, and outside fun. The program is licensed by the State of NH Health and Human Services, and adheres to all its rules and regulations. The program is located in the gymnasium at Sanbornton Central School (SCS). Fees are charged to those utilizing this program. Eighty-Five children were enrolled in the program. Forty-Four children on average are using the program on a daily basis.

Basketball:

A clinic style program was held on Saturday mornings at the SCS gym for children in grades kindergarten through 2nd grade. The clinic style format focused on skills and drills with the biggest emphasis on FUN! Children in grades 3 through 6 start the long season in November and continue into mid-March. This year there was a 3rd & 4th grade boys' and girls' team as well as a 5th & 6th grade boys' & 5th 6th girls' team. The teams play surrounding communities and participate in tournaments. For the second year in a row our 3rd &4th grade girls and boys All Start Team, won first place in the Franklin tournament and 1st place in the Aaron Francouer basketball tournament in Gilford. Kudos to the team great teamwork made a success end of the season. Fifty-Nine children were enrolled in basketball this season.

Ice-Skating at Tilton School- Learn to Skate- Family Skate- Open Skate:

Sunday night is a wonderful evening for families to enjoy the Tilton School Ice Arena. This program is offered in January and February. There are opportunities for Learn to Skate, Family Skate, and Open Skate. The Commission works with the Pines Community Center on this program

Co-Ed Adult Volleyball:

Co-Ed adult pick-up style volleyball is held Monday evenings from 7 to 9 p.m. in the SCS gymnasium from September through May. We have twenty-four adults enrolled this season.

Men's Basketball:

Men's pick-up style basketball is held Tuesday evenings from 7 to 9 p.m. in the SCS Gymnasium from September through April. We currently have fourteen adults enrolled this season.

Spring Egg Hunt:

This year's Annual Egg Hunt took place on Saturday, March 19th at 11:30am at the Bodwell Tree Farm. Many children participated in this annual event. Thanks to the WRHS Student Council and community members for hiding over 2000 eggs, and to Mrs. Priscilla Bodwell for the use of her Tree Farm as the setting for the Annual Egg Hunt. Ms. Bunny was there for photos and to help find some of those hidden eggs.

A Flashlight Egg Hunt took place in the town field behind the Town Hall at 8:00 p.m. for older children in grades 4th through 6th with some younger children participating with parent supervision. Many children enjoyed this annual event. Again, thanks to the WRHS Student Council and volunteers who hid over 1,500 eggs.

Summer Day Camp:

This seven-week program started June 27th and continued thru August 12th. The camp ran weekdays from 7:00 a.m. until 5:30 p.m. This year's camp was once again structured with a main theme for each week. Campers had the opportunity to choose the weeks that interested them the most. The camp week themes were Medieval Magic, Rain Forest, Let's Go Camping, Decades Week, Space is a Place, The Mighty jungle and Holiday Week. The weekly field trip was coordinated with the theme of the week. The campers enjoyed outings to Whale's Tale, Polar Caves, Chucksters, Crazy Kids, Smitty's Cinema, McAuliffe- Shepard Discovery Center, Squam Lakes Science Center and Santa's Village. The scheduled events and activities are completely funded by the campers' registration fees. Camp was very successful and plans for next year's camp are already in the works. Summer Camp also offers a CIT program (counselor in training). There were Forty-Five children enrolled for camp this summer.

February Vacation: Once again we joined forces with the Sanbornton Public Library to offer a day of snow shoeing activity however mother nature didn't cooperate so inside games and crafts at the Library.

Beaches:

This year finding beach staff was an issue. Lifeguards were hard to find to cover all the shifts at the beaches. Beach attendants were used to clean the beaches raking daily and picking of trash and other debris.

Swimming Lessons:

Swimming lessons were offered. Session one was held at Winnisquam Beach and session two was scheduled to be held at Hermit Beach. However, lessons at Hermit Beach were moved to Winnisquam Beach as we had water quality issues. Forty-two children enrolled in lessons.

Soccer Camp

Challenger Sports once again offered a great summer soccer camp at the Town Park. They focused on skill building drills. Multi age levels and times were offered. This year eighteen participated in this camp from Monday through Friday, August 1st - 5th.

Field Hockey:

Eighteen girls enrolled in the field hockey program this year. The program was in a building year with girls from kindergarten –fourth grade playing together. The girls showed much improvement and are looking forward to next year.

Fall Soccer:

Soccer season was a lot of fun for all of those who participated this season. We had pre-school who meet every Saturday at the Town Park and work on Skills and Drills. The Kindergarten & 1st graders enjoyed week night skills and drills and on weekends they played games against area towns. The 2nd & 3rd graders broke into two different team this year. The teams practiced two nights a week and on Saturday's. The 4th-6th graders enjoyed a very busy game schedule season. Sixty-Eight children enjoyed soccer this fall.

Adult Pick-Up Soccer:

This summer July7th- August 18th a pick up adult soccer was held at the Town Park. Starting at 6:30pm and ending at dusk. It was fun and well attended.

Tennis Lessons:

This year Lakes Region Tennis offered free lessons to children and adults in our community. Lessons were held at Tilton Schools new athletic facility and all equipment was provided.

We had only five children and two adults taken advantage of this great opportunity. Hopefully next year this free program will be offered again.

WRBR Softball:

The league this year utilized the Town Park fields and many girls enjoy this spring sport.

Old Home Day:

This year-Old Home Day was held on Saturday, July23rd. We offered water games and other activities in the Town Field behind the Library.

Yoga Classes:

Yoga classes started in September in the Old Town Hall on Tuesday mornings and Thursday evenings and continued until November. Classes then were moved to a classroom in SCS on Thursday & Saturdays for the winter months. Classes are well attended and senior's classes were only \$5.00 per class.

Fundraisers:

A huge Yard & Plant Sale was held on Saturday, May 21st at the Old Town Hall from 9am-2pm. We had a large donation of quality items from someone downsizing their home. We fundraised between the Plant & Yard Sale \$3,150.00!

Halloween Party:

This year's party was held on Saturday, October 29th from 3 to 5 p.m. The SCS gymnasium was totally transformed into a festive Halloween theme. Once again, it was a great success due to volunteers, parents, community members and the Student Council from WRHS and WRMS, who set-up, cleaned-up and ran all the games. All children were able to make a craft to take home. Games included donut eating, mummy bowling, face painting, etc. Thank you to Surowiec Farm for providing pumpkins, and apples.

Gunstock Skiing & Snowboarding Outreach Program:

The five-week lesson program ran February 12th -March 11th. Thirty-Two skiers and snowboarders enjoyed lessons based on their ability at Gunstock on Friday evenings. This program is coordinated with the Pines Community Center.

Christmas Social:

The Christmas social took place on Sunday, December 4th, at the Old Town Hall on Meeting House Hill Road, Sanbornton. I want to thank the volunteers who came to help decorate the gazebo as they did an excellent job. Thank you to Surowiec Farm for once again donating a lovely tree. This year's social there were crafts for the kids to make and cookies to decorate. Jessie Ahlgren from the Town Library read a story while the children waited for Santa. Santa arrived on the fire truck to waiting children on the gazebo. He was ready to take all those Christmas wishes. Thank you to the Sanbornton Police Relief Association for providing a small gift for Santa to pass out to all children. Warm beverages, hot popcorn and light refreshments were served.

In closing, I would like to thank all the Town Departments, the Winnisquam Regional School District and all the individuals who have assisted with our Commission throughout the year. We appreciate all of the support our Commission has received from each of you and we look forward to providing quality facilities and recreation opportunities again in 2017.

For more information on becoming a Commission member or to receive email updates please send inquiries to: sanbrec@metrocast.net or call the Main Office 286-2659.

The Trustees and Staff wish to express their gratitude for the time, professionalism, and administrative skills of Trustee Marla Davis. Marla served on the Board for two terms and as Chair of the Board of Trustees for the last three years. Thank you Marla.

The community use of the library continues to increase over the years. Whether borrowing from the collection (20,598), using the public computers (844 hours by 831 people), or free WiFi signal, attending programs or meetings (606 hours with 3,572 attendees), borrowing museum passes (42), reading local newspapers in the café area, or doing research in the history room, people are checking it out. We issued 142 new library cards. The table below shows the activity in the library.

The theme for the 2016 Summer Reading Program was **On Your Mark, Get Set, READ!** We had 103 children and 12 teens participate. The summer began with an awesome Magic Show by Andrew Pinard. Throughout the summer, children read library books, attended programs, earned incentive prizes and a free book. Older students built catapults with engineer Diane Travato and attended the popular Read-a-thon/Eat-a-thon. Outside we displayed our first StoryWalk with *Duck on a Bike* by David Shannon. The grand finale included a visit from the Seacoast Science Center with a variety of tide pool critters. Our Summer 2017 theme will be **Build a Better World-READ!**

A highlight from the Summer of 2016 included the very popular **Sanbornton Farm and Garden Tour** held in conjunction with Harmony Grange. Volunteers created a spectacular event highlighted the beauty, knowledge and creativity of hard working gardeners in Sanbornton.

Local painter Deb Plenge Painting painted the outside of the library last summer. A few of the clapboards were replaced and repaired. The finished product is a showcase of community pride. **Thank you** for investing in the maintenance of this historic building. It looks great!

Below shows students as they march to the library with 5th grade teachers Paula Young and Donna Anderson (left photo); same as children in Rita Rowe's first grade class (right photo) did in the 1990s.

Your local library is open **35** hours each week, hours of operation are on the back of the Town Report. Please check it out!

Sanbornton Trustees of the Trust Funds

2016

The Board met on the third Thursday of the month for its regular meetings with additional meetings held as needed. The Board maintained contact with Department of Justice representatives and attended the annual June seminars for Trustees sponsored by the Charitable Trust Division. In May, in anticipation of the fiscal year's end, we initiated a meeting with the Board of Selectmen at which we received input used to revise our strategy for investing the Town's capital reserve funds to better meet municipal needs.

We revised and clarified the voucher form for disbursal requests and the process for accessing funds held by the Trustees. We attended a supervisors' meeting in June to familiarize department heads with the changes in the process. We obtained a separate post office box.

The Trustees carried out the terms of the 2015 John Doe Taylor III Scholarship Award in late winter providing second semester tuition assistance to a student at the NH Technical Institute who had been chosen the prior spring. And this past June the Board issued a letter notifying a student of a \$500 award to be paid toward the recipient's second semester tuition at UNH. Two \$500 scholarships were awarded by the Sanbornton Fire Department Relief Association and checks were issued at the Association's request. Various other disbursements were made.

The annual deposits and withdrawals were made at the fiscal year's end in compliance with votes at Town Meeting. The state reports (MS-9 and MS-10) were submitted timely and the annual audit was completed to the state's satisfaction.

The Trustees continue to utilize two separate institutions for investment of Sanbornton's expendable trusts, the town's active capital reserve funds, and oversight and investment of the numerous non-expendable trust funds that have been established and maintained over the years.

Sanbornton Capital Improvements Program Committee (CIPC)

The 2016 CIPC committee membership is:

Craig Davis, Citizens' Representative; Dick Gardner, Planning Board; Andy Sanborn, Chair/Citizens' Representative, Nina Gardner, Citizens' Representative; Katy North, Selectmen's Representative, Julie Lonergan, School Board, Craig Weisman, Citizen representative.

The committee considered 19 requests for capital expenditures to be included in the ongoing six year Capital Improvement Plan.

The Fire department submitted 4 requests.

The Police department submitted 2 requests

The Recreation Commission submitted 1 request

The Highway department Submitted 8 requests

The Selectmen submitted 4 requests

A number of the requests were for planned replacement of vehicle and heavy equipment assets. The committee also reviewed ongoing Capital Reserve Fund allocation requests from the Selectmen Building maintenance and future building projects.

The attached spreadsheet for the six year plan represents the recommendations of the committee for this year's requests and also includes ongoing capital expenditures for bond issues and 1 Lease.

The committee would like to thank Town Administrator Katie Ambrose and Recording Secretary Audry Barriault for their professionalism and assistance.

Respectfully Submitted,

Andrew Sanborn, Chair

BUDGET COMMITTEE 2016 ANNUAL REPORT

The Budget Committee worked again this year to prepare its recommendations "to assist the voters in the prudent appropriations of funds" (RSA 32:1). As before, the Budget Committee prepared a budget based on mandates, fluctuations in economic variables and the needs of the town of Sanbornton with little or no enlargement of town services.

The committee members have all attended one or more municipal budget trainings the budgetary preparation process. The Budget Committee continued to hold joint meetings with the Board of Selectmen over the past year to keep the lines of communication open and to facilitate an understanding of each board and their function. I wish to thank my fellow budget committee members for their commitment of time and dedication in serving our community and the support of the Selectmen in submitting a good documented starting point for our budget deliberations.

With Budget Committee's member Katy North being appointed to the Select Board the committee voted to appoint Justin Barriault to fill the vacancy created by Katy till town election in March, 2017.

The Budget Committee's work results in a budget recommendation that is reviewed and approved or altered by the voting members present at town meeting. The Budget Committee encourages the public to attend budget committee meetings, but most importantly, the annual Town meeting on March 15th where the citizens that attend the town meeting have the final say as to what we budget to be spent.

Old Home Day Committee began meeting in February. Co-chairs Dave Witham and Lynn Chong worked with Sheila Kufert, John and Grita Olmstead, Justin Barriault, Laurie Graham, Martha Bodwell, Steve Hankard, representatives of Mountain View Church (former 2nd Baptist), Pauline Chabot. We met first Mondays, more frequently later.

Cakes were donated by many bakers, for which we are grateful. The slices along with ice cream from Rock Salt Creamery (free, just before parade-time) delighted many. We thank our cake bakers and hope to continue the tradition in 2017! Food vending was expanded over 2015 and was a hit. Thank you, food vendors.

T-shirt sponsorships raised the money we needed to spend. Thanks to: Margo & Paul Racicot, Heritage Farm Pancake House, Ahlgren & Son Builders, Farrington Excavation, Back Door Farm, KREBS Farm, AutoServ of Tilton, Autumn's End Barn, Den Brae Golf Course, BB's Scoops Ice Cream, Awakening Chiropractic, Ian Raymond Photography, Jeanie Forrester for Governor, Bryant & Lawrence Hardware, Raw Life Café & Juice Bar, Andrew Sanborn Master Electrician, Sanbornton Central School, Sanbornton Fire Relief Association, NH Electric Co-op, Pyareo Home, Tilt'n Diner, Market Basket, Billy Barnum Poet, Sanbornton UCC Congregational Church, Ellis Electric, Abbot Lumber, Brian Gallagher, Sant Bani School, Rock Salt Creamery, Sanbornton Police Relief Association, Sanbornton Historical Society, Sanbornton Bay Association, Beekeepers Warehouse, Sanbornton Public Library, Sanbornton Country Store, Shaker Woods Farm, Eurasian Autoworks, Steele Hill Resorts, Dennis Fields, Shea Family, Swain Family, Tobin Family, Surowiec Farm, First Student Tilton, Hearthwood Carpentry, John & Grita Olmstead, Dipsy Doodle Dairy Bar, General Properties LLC. Paul Shea also added an "in memory of Ralph Ingemundsen." Thank you very, very much – all our sponsors and your \$50 donations. We owe huge gratitude to Kathy Farrington for our T-shirt design and handling.

Special thanks to Guy Giunta who drove his vintage convertible with Milly Shaw, passenger, Parade Marshall. Special thanks to DPW's Brian Gallagher who graded an entry to the back field behind Old Town Hall. Thank you, military veterans, for providing us with flag-colors heading up the parade. Preparation for the event included haying and lawn mowing – for that labor, we are grateful. We thank our Selectmen for sponsoring the event, and the library staff for opening up their space and being helpful in many ways. Thank you to UCC for the use of their space and to Life / Safety for their participation and use of their space. We thank the local police cadets for help with traffic and safety. We enjoyed New Horizons Band and Moulton Band. Look forward to them in 2017 and future years. We are grateful to Harmony Grange #99 for transferring previous OHD funds held by them. These are now handled as a line in the Sanbornton Historical Society's books, by treasurer, Jack Potter. This move gives accumulated funds a home, and the committee access to monies for Old Home Day.

Activities, displays, vendors, and demonstrations were abundant. Brad Crosby's morning-hours cribbage tournament, with prizes, drew players who had a good time together in their fire station bay. We hope for this again next year. Cow-Pat bingo raised money for Tyler Swain's Eagle Scout Project.

New costs this year that we'll probably repeat in 2017 – port-a-potties and committee insurance. We'll continue spending on a storyteller at the library, ice cream for the cakes. We bought new announcement banners and will reuse these for years to come. Saturday, July 22, is our anticipated 2017 date. Look for enjoyment and work with our committee if you will, first Mondays. Put July 22 on your calendar. — Dave Witham and Lynn Chong.

Tree Warden Report 2016

During the last year I have met and worked with DPW Director Bordeau, contractors, residents & Public Service, coordinating the take down of thirty-eight hazardous trees within the right-of-way of our town's roads, three of those trees were removed by Public Service of NH at no cost to the town because they posed serious road issues. This process involves the inspection, marking, hiring of a removal company and follow through on each designated hazardous tree.

Additionally, Director Bordeau and I met with PSNH representatives on one occasion to inspect potential takedowns along the right-of-way of both the utility and the town. This meeting involved, identifying hazard trees and coordinating the take-downs along the utility lines in Sanbornton.

Over the year, the following were responded to:

Complaints	Investigations/inspections	Take Downs	Follow-up
3	17	38	28

Landowners need to be vigilant in maintaining the trees on their property, particularly those trees which if they should fall would create a hazard to the traveling public. Following the ice storm of 2008 many RSA's were revised to include more liability on the landowner for hazard trees. Please contact the Town Offices or the Department of Public Works if you locate a hazardous tree that may not be on your property.

Work will continue in the next year to identify and remove trees that are a hazard to the traveling public, utilities and roads.

Respectfully , Steven C. Ober Sanbornton Tree Warden

CONSERVATION COMMISSON REPORT OF 2016

The Sanbornton Conservation Commission had a positive and productive 2016! The Commission is proud to announce the completion of the forestry maintenance efforts of the New Boston Road lot, TML 25/18. Due to unusual weather over the last year the project met many challenges and was finally completed in November 2016.

The Commission members attended the annual joint land use meeting to be updated on the many areas of land use in the town.

The Commission continues to monitor the conservation easements for compliance.

The Commission also continues to monitor and maintain the trail system on one of the Town Forest lots off Eastman Hill Road. If you have not yet had the opportunity to hike, snow shoe or cross country ski these trails maps can be found at the town office and the trail heads in the kiosks. A reminder that all our town trails connect to the Steele Hill Resort trails system, enhancing the opportunities for your outdoor recreational options. During 2016 the Commission worked with volunteers and hired some contractors to brush hog and do other trail maintenance. Enjoy!

In 2016 the Commission worked to re-certify the tree farm program, that we encourage you to review at www.nhtreefarm.org.

The Commission worked in conjunction with the Sanbornton Town Library for a joint Earth Day venture. The Library hosted a photo contest that the Commission sponsored with 18 entries from elementary students from Sanbornton. These collaborative efforts were a huge success and the Commission would like to thank the Library for a job well done! The Library received donated prizes for our winners with other donations from residents. We look forward to another joint effort in 2017.

The Commission held a cribbage tournament at the Old Home Day Celebration that was a huge success. Again, we look forward to participating in 2017.

The Conservation Commission purchased the Squam Lake Science Center Pass for residents to use, administered by the Library. If you did not get the chance to sign out the pass in 2016, the Commission looks forward to making this investment in our community in 2017.

The Commission saw some membership changes in 2016, with the resignation of Dot Banks who has moved away. Thank you Dot for all your dedication and service to the commission, you will be missed! On a positive note, the Commission was able to fill this vacancy with new member/resident Doug Surette and also added another alternate Mark Ledgard. The Commission also regretfully accepted the resignation of long term Alternate; Katy (Wells) North who was appointed to the Board of Selectmen. Katy will remain for the time being as the volunteer clerk until a replacement is made.

Residents who are interested in Sanbornton's rural heritage and preserving open space should attend one of our meetings. We meet the second Thursday of each month, at 7:00 pm in the Town offices. Schedules of events are posted in the Town lobby and on the town website at www.sanborntonnh.org.

Respectfully submitted,

Brad Crosby, Chairman Sanbornton Conservation Committee

Old Town Hall Steward Report 2016

The list remains the same, as to the needs for this property. The priority list currently is: Tower repair, repair and re-glaze windows, install new interior lighting, right rear of building inspection and repair rot, remove vent from roof, rear exit door replaced or refurbished, concrete pad in old furnace room removed, refinish interior floors and install ventilation in the bathroom.

Just prior to state elections in September the railings to the front steps were rebuilt. Conversations and estimates are still being gathered for the handicap entrance door, the steeple and interior lighting of the hall.

I invite others with vision to preserve the historic view of Sanbornton to join in the efforts to maintain the skyline of Meetinghouse Hill. We will work to restore and polish our meeting places to a condition we will take pride in. Anyone interested in working on a project here should contact me.

Respectfully, Steven C. Ober Old Town Hall Steward 286-9995

The Town of Sanbornton Health Department

The year 2016 passed without any major problems. The department inspected, reviewed and issued a number of septic system designs and repairs.

One concern was the severe lack of rain. Many residents were without well water. The Fire Department and Health Officer made available emergency water supply for residents with failed wells if needed.

The drug activities in the Town are a severe health concern. The Police Department is doing an exemplary job of addressing the situation.

The inspections of Day Care, Foster Homes and Schools are always in progress.

We look forward to 2017 to be a good year; particularly in health.

We wish you well.

Bill Tobin, Health Officer

Welfare Town Report

It has been an educational year in the welfare department. Many new programs have been started in the area, most focusing on the addiction crisis facing our communities in the state. I have been attending lectures and training seminars on how to best support families affected by this epidemic. Sadly, it has a lasting effect on many of the children in our area.

We have continued to support qualifying individuals with heating assistance and other needs, including a rather dramatic increase in rental assistance requests.

I would like to offer a sincere word of gratitude to Mr. Presby and the First Fruits Food Pantry for all of their hard work and compassion this year, you truly make such a difference. I would also like to take a moment to acknowledge my fellow employees for the endless amount of support they offer to my department, your dedication and kindness is inspiring.

I wish you many blessings, Thank You for allowing me to serve you this year, I truly love my position.

Melanie Van Tassel, Over Seer of the Public Welfare

Central New Hampshire VNA & Hospice Report to the Town of Sanbornton, 2016 Submitted by: Christine Long, Interim Chief Executive Officer

Central New Hampshire VNA & Hospice is a nonprofit home health and hospice agency serving Belknap and Carroll Counties. The agency provides professional healthcare services in people's homes to allow them to recover from illness or injury, manage a chronic disease or receive end-of-life care in the peace and comfort of their own homes. We are proud to note that the agency will be entering our Centennial year of providing 100 years of service to the communities in the Lakes Region.

The agency strives to make services available to all needy residents regardless of their ability to pay. In order to make that commitment possible, we rely on donations from towns, public foundations and individual donors. We are grateful for the continued support of the Town of Sanbornton in helping us to meet the health care needs of town residents. Last year, Sanbornton provided \$1,000 of support to the agency.

During the past year, Central New Hampshire VNA & Hospice made 871 home visits to Sanbornton residents. Of significance, 254 of those visits were made to residents enrolled in the Hospice program - providing nursing care, social work, spiritual support and bereavement support to those affected by terminal illness and their families. The balance of visits were made to adults in the homecare program and to newborns and young children, with an increase of 28% in the number of Homecare Nursing visits provided to residents of Sanbornton this year.

In addition to home health & hospice services, the agency participates in the Winnipesauke Public Health Council and Emergency Preparedness Teams where we focus attention on the safety needs of homebound residents within the region.

We encourage Sanbornton residents to contact us when they have home care needs or questions. We are also happy to speak to community groups about the kinds of care we provide. We can be reached at 524-8444, and we are on the web at www.centralvna.org. We thank you for your continued support, and we encourage you to give us a call.

780 North Main St. Laconia, NH 03246

2016 First Fruits Food Pantry

The First Fruits Food Pantry would like to thank the Town of Sanbornton for their support of the Pantry, helping neighbors in need. Also, thanks for the support of the First Baptist Church of Sanbornton, Sanbornton Congregational Church UCC, Mountain View Church of Sanbornton, many businesses, organizations and individuals who gave their time, money and food donations to the Pantry.

As I look back on 2016 things have been about normal up to September when the Pantry saw an increase in clients. The last quarter has been busy as usual plus the addition of 45 Thanksgiving and Christmas boxes.

The Pantry reached out in many ways. We had the opportunity of providing 35,300 meals to clients from Sanbornton, Tilton, Northfield and other communities in the area. We provided the Pantry clients with 40 Easter boxes along with the snack program of over 2,000 snacks this year at Sanbornton Elementary School.

As we begin 2017, the pantry is entering its twelfth year of operation. It is open on the 1st Wednesday and 3rd Wednesday from 4:00 p.m. to 6:00 p.m. and is located at 322 Upper Bay Road in Sanbornton. The phone number is 524-5996.

A true blessing for this outreach are the volunteers who continue to give their time, energy and talent.

Respectfully submitted,

Robert Presby, Pantry Director

Sanbornton Bay Circle of Home & Family 2016 Activities for Sanbornton Town report By Darlene Sellars, Secreatary

Bay Circle's small membership continues to be very active with charitable activities, informative programs and friendship. We were saddened this year by the death in April of Phyllis Smith, a very active member since 1955. Phyllis was honored with the Circle of Gold award at the State CHF Conference in 2011. The month of May was another loss; our Treasurer Estelle Miler's husband passed away following an extended illness. This fall another longtime member, Madelyn Close who now lives in Antrim has resigned. On a positive and happy note new member Annette Otis joined in November.

Activities for 2016 began in January with Book Reviews including the following: "Murder House" by James Patterson, "19 Minutes" by Jody Picoult, "A trip to the Beach" by Melissa and Robert Blanchard, "The Giver" by Louis Lowry and a review of the PBS Independent Lens Film "Autism in Love".

Thank you notes were read by Chairman Lela that had been received from many recipients of the Cookie and Fruit Basket that were assembled and delivered to elderly residents just before Christmas. We also received a generous donation from member Madelyn Klose, to be used for charitable activities.

The February program was "The History of Signs" Lela had several old signs on display including a "NH Maple" and a "John Deere" sign. One interesting comment, a law was passed in 1388 by England's King Richard requiring all businesses selling ale to have a visible street sign so stating, thus making it easier for more thorough tax collection.

The March meeting was assembling a basket of small "Ouch Dolls" for the Pediatric Department at the Laconia Clinic. A Program on the comics was part of our April meeting. References included the motion of comics as early as the 1600's and the fact that the first weekly comics were published in 1867. May's meeting was a program on the "United Arab Emirates". A decision was made to give a \$200 dollar Book Award to a Sanbornton student graduating from Winnisquam High School in June. The recipient was chosen by school staff.

June is the Bay Circle's annual "lunch out". The year's choice was the "Holy Grail" in Laconia, this restaurant is an old church that has maintained parts of the original building. We were joined by member Millie Shaw, who now resides at "Golden View" in Meredith, previous member Arlene Illgenfritz and our summer resident member, Theresa Tallifer. Millie was honored this year for her many years of service to the Town by having the Town Report dedicated to her.

July and August is a hiatus from Bay Circle meetings while members are busy with summer activities, including gardening. Members Linda Presby and Darlene Sellars participated in Sanbornton's first Town wide Garden Tour in July. Meetings began in September with a bountiful pot luck lunch. Guests were Linda Presby's sister and her daughter. Members shared some of their "Best Kept Secrets".

October's activity included election of officers (no change from 2016), planning for 2017 activities and filling two "chocolate" themed baskets for the raffle at the State CHF Conference held at the Holiday Inn in Concord on the 22nd of October. Linda Presby and pat Merriam attended. The "Ouch Dolls" were so well received by the Laconia Clinic's Pediatric Department that we made that our November activity. There were some fifteen homemade pies that we offered for sale at the Sanbornton Historical Society's Craft & Green's Sale on December 3rd. There were several requests for blueberry and strawberry rhubarb. Pecan was another favorite, information to keep in mind for the future. Bay Circle concluded the year at our December meeting by filling 14 "Cookie Baskets" of homemade cookies for the elderly Sanbornton residents. In lieu of a gift exchange those monies will be used for the benefit of the Sanbornton Central School children as deemed appropriate by the School Nurse after the New Year when there is often less attention on charitable giving.

CHILD AND FAMILY SERVICES, LAKES REGION OFFICE

For 166 years Child and Family Services has worked to preserve, empower and strengthen families throughout New Hampshire, the Lakes Region and in the town of Sanbornton thanks to your support with an annual allocation voted at town meeting. Town support, along with other funding sources, is critical to our being able to offer a wide range of services to children and their families without regard to income. All of the agency's services are affordable and accessible to families in need.

Over 80% of the services we offer to children, youth and their families take place in community, school and home-based settings. We have a range of 25 programs that can be easily accessed by residents, some with no fee and others, because the town supports us, on a sliding fee scale. We reach out to children who have experienced trauma and/or abuse, who have been impacted by poverty or whose families are in crisis. Challenged by unemployment or working more than one low-paying job, being uninsured or underinsured, and facing higher levels of stress due to short finances, leads to emotional stress. This combination of unrelenting pressure and limited resources can lead to a cycle of coping difficulties, emotional outbursts or withdrawal, chronic relationship conflicts that can interfere with positive decision-making, healthy actions and parenting and school failure. Sanbornton families were served by the Agency last year accessing, child abuse prevention and treatment, and mental health counseling.

Community support makes it possible for CFS to deliver a range of other family support services to residents. Funding awarded by the town has allowed us to maintain our tradition of providing effective, affordable services to low-income children, youth and families.

Every dollar the community invests in Child and Family Services is returned many times over in the value of services provided to residents. Having local support makes it possible for us to apply for state and federal contracts and charitable funds from foundations. We continue to count on your help to be able to offer a full range of quality, professional services to children and their families who otherwise could not afford them because they lack insurance or are underinsured. 90% of the families we serve live below the federal poverty guidelines. If our programs were not available to them, they would undoubtedly turn to the town for public assistance.

Your contribution makes it possible for us to serve the most needy, vulnerable families without regard to income. Town support also makes it possible for us to secure a range of other charitable and public dollars that require local matching funds. Child and Family Services is New Hampshire's oldest charitable social service organization. In addition to our local office in Laconia, residents can access our services from our Concord site on N. State Street and Camp Spaulding in Penacook, NH or Manchester program sites: at 464 Chestnut Street and Teen Outreach Center, 330 Lincoln Street where we serve runaway and homeless youth For further information about any of these services please call (800) 640-6486 or visit our website at www.cfsnh.org.

ZONING BOARD OF ADJUSTMENT / ANNUAL REPORT 2016

During 2016, the Zoning Board of Adjustment (ZBA) received 23 applications to be heard and acted upon by the Board.

Of these twenty-three applications to the ZBA, twenty were for variances from the requirements of the Sanbornton Zoning Ordinance, two were for special exceptions and one was an appeal of an administrative decision.

Of the twenty variance requests, fifteen variances were approved by the ZBA, four applications were withdrawn by the applicant, and one application was still pending at the end of 2016.

Of the two requests for special exceptions, one was denied and one was still pending at the end of 2016.

The one appeal of an administrative decision was approved by the ZBA.

Overall, the number of appeals to the ZBA in 2016 was up over previous years.

Respectfully submitted,

Timothy Lang

Chairman, Zoning Board of Adjustment

PLANNING BOARD ANNUAL REPORT /2016

LAND DEVELOPMENT REVIEW

As has been the case for the last few years, the review and approval of land development proposals occupied a major amount of the Planning Board's time in 2016 although land development activity was substantially reduced due to the continued downturn in the economy.

The Planning Board conducted Public Hearings on two proposed subdivisions, two boundary line adjustments, one site plan review, and three Level One/Home Occupation permits. All the applications which were submitted during 2016 were approved by the Planning Board.

MASTER PLAN

During 2015 the Sanbornton Economic Development Advisory Committee completed the process of preparing a proposed new Economic Development Chapter for inclusion into the Sanbornton Master Plan. Following completion of the draft Economic Development Chapter, the Committee presented the draft Economic Development Chapter to the Planning Board for its review and eventual adoption after holding a Public Hearing as required by state law. Immediately following a Public Hearing on November 3, the Planning Board formally adopted the new Economic Development Chapter into the Master Plan.

With the addition of the above new Economic Development Chapter, the Master Plan now includes the following chapters: vision, land use, transportation, energy, housing, telecommunications and economic development chapters.

AMENDMENTS TO ZONING ORDINANCE

At the March 2016 Town Meeting one amendment to the Zoning Ordinance, concerning senior housing, was proposed by the Planning Board. This amendment was approved by the Town Meeting.

HISTORIC DISTRICT COMMISSION

During 2016 the Town Planner met on a regular basis with the Historic District Commission and assisted the Commission in conducting its business. The Town Planner also provided technical support and administrative assistance to the Commission as needed.

ECONOMIC DEVELOPMENT

During 2016, the Town Planner completed the meeting schedule with the Sanbornton Economic Development Advisory Committee and also assisted several small businesses with their start up or expansion plans, specifically Saplings Child Day Care for additional day care space, Granite Life Country Store for new retail buildings and Surowiec Farms for farm worker housing. The Town Planner also attended several economic development training and information-gathering workshops which provided education concerning economic development and also assisted in networking and spreading the word about Sanbornton.

As recommended in the newly-adopted Economic Development Chapter of the Master Plan, it is anticipated that during 2017 the Board of Selectmen will be adding economic development responsibilities to the Town Planner job description. It is expected that once the Town Planner is officially tasked with coordinating Sanbornton's economic development program that the program will become operational.

UP-COMING PLANNING PROJECTS FOR 2017

Projects which the Planning Board expects to undertake in 2017 include:

>Amendments to the Town Zoning Ordinance: a) amendments to the Zoning Ordinance based on new case law from the US Supreme Court concerning commercial signage, & b) amendments to the Zoning Ordinance based on new State legislation concerning agritourism.

- >Amendments to Subdivision Regulations: conduct a review and amendment process for the Town's Subdivision Regulations.
- >Amendments to Site Plan Review Regulations: conduct a review and amendment process for the Town's Site Plan Review Regulations.
- >Implementation of Economic Development Chapter of Master Plan: Request the Board of Selectmen to appoint the Town Planner as the Economic Development Officer for the Town and request the Board of Selectmen to appoint an Economic Development Advisory Committee which will work with the Economic Development Officer to implement the recommendations in the Economic Development Chapter of the Master Plan.
- > Enact revised fee schedule for Subdivision Regulations and Site Plan Review Regulations.

PUBLIC NOTICE

To all owners of property which was involuntarily merged by municipal action for zoning purposes without the consent of the owner.

As per the requirements of NH RSA 674:39-aa, a statute entitled "Restoration of Involuntarily Merged Lots", which became effective July 24, 2011:

The Town of Sanbornton, on the date shown below, hereby files this notice with the Town Clerk and posts this public notice to inform residents and property owners that any lots or parcels of land which were involuntarily merged shall be restored to premerger status (separate and distinct condition) upon the owner's request.

RSA 674:39-aa, II requires that "lots or parcels that were involuntarily merged prior to September 18, 2010 by a city, town, county, village district, or any other municipality, shall at the request of the owner, be restored to their premerger status and all zoning and tax maps shall be updated to identify the premerger boundaries of said lots or parcels as recorded at the appropriate registry of deeds, provided:

- (a) The request is submitted to the governing body prior to December 31, 2021.
- (b) No owner in the chain of title voluntarily merged his or her lots. If any owner in the chain of title voluntarily merged his or her lots, then all subsequent owners shall be estopped from requesting restoration. The municipality shall have the burden of proof to show that any previous owner voluntarily merged his or her lots."

Requests for "un-merger" (restoring involuntarily merged lots or parcels of land) shall be submitted to the Sanbornton Board of Selectmen, whose decisions may be appealed pursuant to RSA 676.

This public notice is filed with the Sanbornton Town Clerk and is posted in three (3) public places in the Town of Sanbornton on December 16, 2011 and shall remain posted through December 31, 2016.

Similar notice shall also be published in the Town of Sanbornton's 2011 through 2015 Annual Reports.

Date of Public Posting: 12/16/2011

FOR TOWN ANNUAL REPORTS LAKES REGION PLANNING COMMISSION

2015 - 2016 (FY16)

The Lakes Region Planning Commission (LRPC) is an organization created by Lakes Region communities per state law for the broad purpose of responding to and shaping the pressures of change in a meaningful way. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton, and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. As our economy and world change, so does the work we are engaged in. The Commission offers direct and support services to help our communities meet tomorrow's challenges. Our services include technical assistance, geographic information systems, transportation planning, land use, environmental planning, hazards planning, and economic development. LRPC is primarily funded through local, state, and federal resources. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our overall goal is to provide support, knowledge, and guidance to the governments, businesses, and citizens of the Lakes Region.

Some of the services provided on behalf of the Town of Sanbornton and the region in the past fiscal year are noted below:

STATE OF NEW HAMPSHIRE

Executive Council

JOSEPH D. KENNEY EXECUTIVE COUNCILOR DISTRICT ONE

STATE HOUSE ROOM 207 107 NORTH MAIN STREET CONCORD, NH 03301 (603) 271-3632

ANNUAL REPORT FROM EXECUTIVE COUNCILOR KENNEY, DISTRICT ONE

As I start my 4th year of service to you and the State of New Hampshire in Council District 1, I am grateful, committed and honored to serve you.

I continue to work with the Governor, Council and Legislature on the important issues impacting the State. The Heroin and Opioid epidemic has been the number one issue. The Council has supported over \$25 million in contracts for prevention, treatment and recovery programs. In addition, the Council supported several millions of dollars for Law Enforcement Operation of Granite Hammer to interdict and prevent drug smuggling.

Economic development is still my top priority for the Northern most Council District and I will work with community and business leaders to assist in the creation of jobs and economic opportunity. I am committed to the Balsams project in Disville Notch and I worked to form a nine member Laconia State Property Committee to support the Executive Branch with the future sale of that property. Good news stories include the expansion of Vermont NSA manufacturing into Groveton to create over 70 jobs, the expansion of River Valley Community College into the old Lebanon College building in Lebanon and the new addition of the \$7 million Marine Patrol Beadquarters Building in Gilford.

I join with the NH Congressional Delegation - Senator Jeanne Shaheen, Senator Maggie Hassan, Congresswoman Annie Kuster and Congresswoman Carol Shea Porter in working with other New England states and our northern Canadian friends to seek economic opportunities and relationships.

The Ten Year Transportation Improvement Plan process working with the Department of Transportation and the Regional Planning Commissions was completed upon passage by the Legislature and signature of the Governor in June. The plan focuses on preservation, maintenance and sufety of existing puvement and bridge infrastructure throughout the State. The US Congress passed the Fixing America's Surface Transportation (FAST) Act, which provides increased federal funding to the State of New Hampshire over the next five years. Contact William Watson at NH DOT for any additional details at 271-3344 or bwatson@dot.state.nh.us.

The 2017 session of the NH House and Senate will address legislation that deals with the heroin and opioid crisis, sustainment of Medicaid expansion, federal health care opportunities and funding, business and workforce development. Again, I'll be watchful of proposed legislation passing costs on to the county and local levels of government. Stay close to your local state senator and house members.

The Governor and Council are always looking for volunteers to serve on the dozens of boards and commissions. If you are interested, please send your resume to Governor Chris Sununu, State House, 107 North Main Street, Concord, NH 03301 attention Meagan Rose Director of Appointments/Liaison or at (603) 271-8787. A complete list is available at the NH Secretary of State website at www.sos.nh.gov/redbook/index.htm.

My office has available informational items. NH Constitutions, tourist maps, consumer handbooks, etc. I periodically send, via email, a list of my schedule for the week. Send me your email address to be added to the list if you would like at Joseph Kenney@nh.goy. Contact my office any time I can be of assistance to you.

Historic District Commission Annual Report, 2016

Commission Members: Nick Orgettas/Chair, Linda Salatiello/Vice Chair, Nina Gardner, Stuart Dyment, and John Olmstead Ober (Selectman's Representative) Alternate Member: Franz Vail

Technical Staff Support: Robert Ward, Town Planner

The Sanbornton Historic District Commission was established in 1965 and is one of the earliest established historic district commissions in New Hampshire. The Commission operates under the authority provided by RSA 673:4 and focuses on its primary responsibility which is to conserve and protect the historical resources of Sanbornton's Historic District within the Sanbornton Square area of town. The boundaries of the Sanbornton Historic District coincide with the boundaries designated on the US Department of the Interior's National Register of Historic Places.

As allowed by state law and as prescribed by action taken by Town Meeting, the Commission may consist of five regular members and up to five alternate members. The Commission currently has all five regular member positions filled and has one alternate member. The Commission would welcome any town resident with an interest in serving as an alternate member.

The Commission adopted a "Standards and Guidelines" document on August 12, 2014 as prescribed by RSA 673:4. This document is on file with the Town Clerk and is also available on-line on the Town of Sanbornton website. The purposes of the "Standards and Guidelines" are to preserve the structures and places of historic and architectural value as well as to preserve the cultural, social, economic, political and architectural history of the Historic District. The Commission has used these "Standards and Guidelines" in its review of proposed projects which came up during 2016 within the Historic District.

During 2016, the Commission met five times. The Commission met with two property owners/project applicants who wished to do construction on their property located within the Historic District. Both proposals were for new construction projects, one being for the construction of a new residence on a vacant building lot located on NH Route 132 and the other being for the construction of a new accessory building to house the new biomass heating plant for the Sanbornton Elementary School. After review by the Commission, these projects were approved based on compliance with the HDC's "Standards and Guidelines".

The Historic District Commission reserves the second Tuesday of each month for its meetings on an "as needed" basis, which is whenever an application has been received which requires the Commission to hold a public hearing and act on the application.

Respectfully submitted,

Nick Orgettas, Chairman
SANBORNTON HISTORIC DISTRICT COMMISSION

Sanbornton Selectmen's Report 2016

2016 has been a year full of change, challenge and progress for the Board of Selectmen. With the resignation of Johnny Van Tassel this September, the board appointed Selectman Katy (Wells) North to serve until March. Together this board has prepared a budget that provides level services to the citizens of Sanbornton, and as always has managed the budget mindfully throughout the year.

A variety of new faces and roles can be observed around town, as the Select Board established a Fire Department Regionalization Study Committee and hired a new Transfer Station On-Site Manager, Transfer Station Attendant, DPW Truck Driver/Equipment Operator and Town Administrator. The Fire Department Regionalization Study Committee was established to examine the prospects of regionalizing the services provided by the Fire Department with neighboring towns as well as study the financial considerations of regionalization and the impact on the fire services provided to the town.

Attention has been paid to maintaining town facilities with the installation of a new railing at the Town Hall, gutters at the Town Offices, a fire alarm system at the Highway Garage, replacing doors at the Town Offices and painting the exterior of the Library. The Select Board intends to continue to account and plan for the maintenance of Sanbornton's facilities.

Some of the Department of Public Works' many projects completed this year include completing the March Road project and conducting shim and overlay work on Hunkins Pond Rd, Tower Hill Rd and Shaw Hill Rd. Additionally, the DPW Director has been developing a road maintenance plan to use as a guide for future years.

The Select Board employed and made progress on a few professional studies this year including an engineering study for reconstruction of the state-owned portion of Lower Bay Rd and a wage classification study to assign our positions to the newly adopted pay matrix.

We would like to thank all of the dedicated individuals who work tirelessly to serve our community. The efforts of town employees, volunteers, elected and appointed officials will benefit Sanbornton now and for years to come.

Respectfully submitted,

John H. Olmstead, Chairman

New Hampshire

Warrant and Budget

2017

The polls will be open from 7:00 AM to 7:00 PM

To the inhabitants of the Town of Sanbornton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Sanbornton on Tuesday, the Fourteenth day of March, in the year Two Thousand Seventeen, to act on the following subjects:

To choose all necessary Town Officers for the ensuing year.

To vote on the following amendments to the Town Zoning Ordinance:

Amendment #1

Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Town of Sanbornton zoning ordinance as follows:

Amend Article 4

Amend Article 4. (Section C) "Advertising Signs", to comply with recent US Supreme Court decisions concerning commercial signs, by adding the following section: Article 4, C. Advertising Signs, Section (1) Purpose Statement: These sign regulations are adopted to further the following Master Plan "Guiding Principle", specifically to "protect and enhance our small town and historic character ..." and to further the "Planning Goal" as follows: to "Maintain and support the rural and traditional character of Sanbornton".

Reasoning:

This amendment is intended to make reference to the appropriate principles and goals of the Sanbornton Master Plan.

(The Planning Board supports the adoption of this amendment.)

To the inhabitants of the Town of Sanbornton in the County of Belknap in the State of New Hampshire qualified to vote in Town Affairs are hereby notified and warned the Annual Town Meeting will be held as follows:
