A P P R O V E D

Attendance: Guy Guinta, Melanie Van Tassell and Laura Cranton

1. Review and approve minutes of August 17, 2012

Minutes of the August 17th, 2012 meeting were reviewed. A motion to accept the minutes as written was made by Melanie and seconded by Laura. The motion passed unanimously.

2. Driveway and other construction discussion

Two signs, a post and hardware are to be purchased for the two sections of the driveway. One of the signs will be named Milly's Way, and one will be named Bodwell Lane. In the future, entrance and exit signs will be considered.

3. Maintenance work needed

Lilac bushes are to be planted along the Tower Hill Road border, replacing the original bushes that did not survive. These bushes are to be donated from the state. Projects for next spring include repairing the driveway and improving the foundation of the maintenance shed. The driveway, since it was installed two years ago, has settled and rain occasionally wears ruts along the sides. The shed has been tipping due to an unstable foundation.

4. Discussion of cemetery plots

In the future, cemetery markers will be considered to mark boundaries of the plots and paths.

5. Other business

4 color maps of the cemetery are to be made: one for each of the three trustees and one for the file kept at the library. Guy made a motion to purchase the maps, Melanie seconded and the motion passed unanimously. Guy passed out updated cemetery brochures. Rules, regulations and pricing will be submitted to the town clerk's office so that they may be put on the town website.
