Amendment #1

Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Town of Sanbornton as follows:

Amend Article 4 by inserting a new Section Z to allow for Solar Energy Systems and renumbering Sections Z (Compliance with Other Regulations), AA (Lot Size & Frontage Averaging), and BB (Senior Housing Development) accordingly. This Solar Energy System provisions are adopted pursuant to RSA 672:1, III-a and RSA 674:17, I(j) and in furtherance of the policies stated in RSA 374-G and 362-F. These Solar Energy System provisions are intended to identify the zones in which ground- and roof-mounted Solar Energy Systems are permitted, establish a site plan review and approval process for the design and installation of Solar Energy Systems, and establish minimum construction, design and operational standards for commercial operations. (An official copy of the entire proposed amendment is on file at the Town Clerk's Office and will be on display at the meeting place on the date of the Town Meeting).
